

15 August 2016

Mr Lawrie O'Neill  
Savanna Pride Pty Ltd  
Level 1, Suite 4, 24 Muriel Avenue  
Innaloo WA 6018

Dear Lawrie

On behalf of Muscular Dystrophy Western Australia (MDWA) and those living with muscular dystrophy and neuromuscular conditions, I pass on my sincere thanks to you and the team at Savanna Home Loans for your ongoing support.

After initially becoming involved as a Partner in our inaugural Marquee Day at Ascot Racecourse in October, 2015, we have very much appreciated building the relationship to also include a Savanna Pride Team at the Toyota WA Muscular Dystrophy Golf Classic in March, 2016.

Support of this kind enables MDWA to fulfil our mission of *creating solutions that empower full lives for Western Australians living with muscular dystrophy*. We are committed in our efforts to ensure that everything we do at MDWA is focused on providing individualised support services, linking our people with appropriate external support, supporting multidisciplinary research, raising awareness and strengthening community bonds.

The Staff at MDWA have also enjoyed the value of your presentation with Lisa Fretwell, detailing how each of us might benefit from Savanna Home Loans' **Debt by Design** service, as well as your **Life by Design** financial planning advice. We appreciate that your services may also provide a "value-add" to our existing corporate partners and wider community, which will in-turn help us to achieve our mission.

Throughout 2017, Muscular Dystrophy WA will celebrate our 50-Year Anniversary with the help of businesses like Savanna Home Loans and look forward to an exciting future where our two organisations can create opportunities to share knowledge and experience for each other's benefit.

Yours sincerely

Hayley Lethlean  
Chief Executive Officer  
Muscular Dystrophy Western Australia
